[Learn more](#) and [register](#).**About the Garden**Established in 1916, [UBC Botanical Garden](#) curates a collection of approximately 50,000 accessioned plants representing approximately 7,000 taxa from temperate regions around the world.Follow us on [Twitter](#), [Facebook](#) and [Instagram](#). Our handle is @ubogarden.**Save the Date! Down to Earth: May 13, 12:00 - 4:00 pm**We are proud to announce a new event to be held Saturday, March 13: **Down to Earth: Tips & Tricks for Spring Gardening**. Learn everything you need to know to get your garden in tip-top shape for spring. Watch demonstrations and take part in interactive workshops. Ask questions of our Hortline Master Gardeners and our volunteers, all of whom have years of gardening experience behind them. [Learn more](#).**April in the Garden**At the time of this writing, plants in UBC Botanical Garden are, by many estimates, about two weeks behind their normal schedules. And it looks like the cool weather is going to continue far into April. In fact, I've heard that the weather prognosticators are betting on a cooler than normal summer this year. Read more on [our blog](#).**Magnolia Incarnata:****Dance and Poetry in the Asian Garden**The magnolias have arrived (finally)! Experience Artist in Residence Dr. Celeste Snowbel's latest inspirational performance among them in the Asian Garden. Saturday, April 8, 2-3 pm. [Learn more](#).**Earth Day 2017: Teas and Tours**Join us on Saturday, April 22 for our special Earth Day events. Take a guided tour, drink some tea from leaves grown in the Garden, and be among the first to see our new educational signs! [Learn more](#).**Shop & Garden Centre April Update**

After this winter you might have space in your garden for something new! A well-rounded selection of herbs, both culinary and aromatic, is now available in the Garden Centre. You can also find early blooming clematis and spring-flowering perennials like Primula and Anemone.

Watch for the arrival of smaller spring flowering rhododendrons suitable for patio gardens and containers. [Learn more](#).

Thank you for supporting UBC Botanical Garden
