

Shop in the Garden & Garden Centre February Update

We've seen record snow levels in Vancouver over the past few months, and just when you thought the 'winter' was overshadowing the 'wonderland', the weather finally starts to get a little warmer. Fit for the occasion, the Shop in the Garden is teeming with new items and old classics to prepare your home for spring.

Check out quirky creations from our talented workshop volunteers – dried flower arrangements and wreaths that don't say "Christmas"! These gorgeous bouquets are perfect as dining table centerpieces and can bring colour to any living room.

**West Coast Seeds have arrived** – time to start leeks, sweet peas, snap peas, and dried-sow flashy poppies and other easily-grown annuals to attract the bees, butterflies, and hummingbirds.

**Greeting cards:** we have a great new selection of greeting cards: nostalgic, cheeky, romantic – take your pick!

**Socks:** they're the new best! Select your favourites among a variety of patterns and styles, from soft flac tones to playful hearts on black and white.

**Water Bottles:** Staying hydrated is important on a walk through the Garden; we've got stylish new Paderno water bottles up for sale in a range of bright colours.

**Don't Miss It!** Our Winter Sale is held over because of the snow - some great bargains still remain!

The **Shop and Garden Centre** at UBC Botanical Garden offers plants, accessories, quality gifts and knowledgeable service seven days a week. All proceeds from the Shop and Garden Centre directly support **UBC Botanical Garden**. The Shop and Garden Centre is run by the **Friends of the Garden (FOG)**, a unique group of volunteers who do everything from buying and displaying the merchandise to providing plants, seeds, flower arrangements and wreaths.

Our Shop hours are 9:30 am to 4:30 pm. For more information, email [garden.fog@ubc.ca](mailto:garden.fog@ubc.ca) or call 604.822.4529
