

## Shop in the Garden & Garden Centre July Update

Summer is here and so is the sunshine!

Protect your skin from the sun with a reversible sunhat from our colourful selection and take a shade break on one of the Garden's many benches. Choose one of our many botanical adult colouring books and be inspired by the Garden's amazing blooms.

Now is the time to think about August seeding for your veggie pots and fall harvesting. Browse our terracotta pots, watering cans and wands in the Garden Centre. Many of our plants are now available at reduced prices.

If you like to relax with an evening of bridge and snacks, we have cards, score pads and dishes for nibbles. Add one of our long-lasting dried floral arrangements created by the Friends of the Garden volunteers to your table.

The [Shop and Garden Centre](#) at UBC Botanical Garden offers unique plants, accessories, quality gifts and knowledgeable service seven days a week. Our focus on local products make us a popular spot for all of our visitors. All proceeds from the Shop and Garden Centre directly support [UBC Botanical Garden](#).

The Shop and Garden Centre is run by the [Friends of the Garden](#) (FOGs), a unique group of volunteers who do everything from buying and displaying the merchandise to customer service and providing plants, seeds, flower arrangements and wreaths. Botanical cards and tote bags are also the work of our many talented, hard-working members.

Our summer Shop hours are 9:30 am to 5:00 pm daily and until 8:00 pm on Thursdays.
