

## Shop in the Garden & Garden Centre June Update

Summer has arrived and so has the season of travelling, patio parties and gardening. You'll love our newest journals and notebooks to chronicle your activities and travels this summer. We have a lovely collection of table linens, colourful dishes and many styles of vases — perfect for a summer party. If you are expecting young visitors, take a look at our fun selection of children's games and activities. Now is also a good time to trim, shape and label your garden beds and we have the tools to do the job. Choose from our wide selection of terracotta pots and garden statuary to decorate your garden or patio.

The [Shop and Garden Centre](#) at UBC Botanical Garden offers unique plants, accessories, quality gifts and knowledgeable service seven days a week. Our focus on local products make us a popular spot for all of our visitors. All proceeds from the Shop and Garden Centre directly support [UBC Botanical Garden](#).

The Shop and Garden Centre is run by the [Friends of the Garden](#) (FOGs), a unique group of volunteers who do everything from buying and displaying the merchandise to customer service and providing plants, seeds, flower arrangements and wreaths. Botanical cards and tote bags are also the work of our many talented, hard-working members.

Our summer Shop hours are 9:30 am to 5:00 pm daily, and until 8:00 pm on Thursdays.
