

Shop in the Garden & Garden Centre October Update

Long awaited, the honey from our very own bees at UBC Botanical Garden is now in stock. This pure, unprocessed honey was prepared by Apiarist Alan Garr. Don't wait – it's flying out the door!

We're excited to have these Pukally goat's milk bars, locally made and locally stamped with your choice of neighbourhood. Are you representing East Van, Whistler, or Kits? These soaps are made with pure, fresh ingredients and are loaded with personality!

Now in stock: comfy Peruvian gloves, mitts and socks made from Alpaca wool. Perfect for the upcoming winter! We also have Canadian-made phone pouches. A portion of the proceeds from every sale is donated to aid in the protection of endangered animals.

The [Shop and Garden Centre](#) at UBC Botanical Garden offers plants, accessories, quality gifts and knowledgeable service seven days a week. All proceeds from the Shop and Garden Centre directly support [UBC Botanical Garden](#). The Shop and Garden Centre is run by the [Friends of the Garden](#) (FOGs), a unique group of volunteers who do everything from buying and displaying the merchandise to providing plants, seeds, flower arrangements and wreaths.
