

## Shop in the Garden & Garden Centre September Update

September arrives with its usual crisp air and glimpses of gorgeous autumn foliage, and The Shop in the Garden & Garden Centre is stocked full of early fall essentials. Above is *Colchicum* (autumn crocus), which are blooming and ready for your garden or containers - effortless to grow, and full of unexpected colour for any setting.

Inside the shop, we have bulbs, sweet BC-made mini-terrarium necklaces, unique dried flower bouquets made by our volunteers, and new cozy throws and shawls (*left photo*) for upcoming cool weather.

If you have fruit flies - and almost everyone does at this time of year - pick up a Venus flytrap (*right photo*) and put it to work.

**Don't Miss It:** Miniature conifers abound; there are budding Franklinia trees as well as new plant shipments arriving!

The [Shop and Garden Centre](#) at UBC Botanical Garden offers plants, accessories, quality gifts and knowledgeable service seven days a week. All proceeds from the Shop and Garden Centre directly support [UBC Botanical Garden](#). The Shop and Garden Centre is run by the [Friends of the Garden](#) (FOGs), a unique group of volunteers who do everything from buying and displaying the merchandise to providing plants, seeds, flower arrangements and wreaths.

Our Shop hours are 9:30 am to 5:00 pm.
